

61	All at once, the lights went out in the building.	71	Good communication allows progress to happen smoothly.
62	The children started talking all at once, and I couldn't hear anything clearly.	72	The cake is almost ready. It just needs a few more minutes.
63	He built the treehouse all by himself.	73	I almost missed the train this morning.
64	I stayed at home all day long watching movies.	74	She decided to travel alone to discover herself.
65	All of a sudden, it started raining heavily.	75	She brought her brother along with her to the party.
66	She is on her phone all the time.	76	I have already finished my homework.
67	He walked all the way to the top of the mountain.	77	She is a talented artist. Also, she plays the piano beautifully.
68	She is allergic to peanuts, so she avoids them.	78	Although it was raining, they continued the game.
69	Pets are not allowed in this hotel.	79	He always takes his dog for a walk in the evening.
70	My parents allowed me to go on the school trip.	80	He is an amateur photographer, but his photos are stunning.
